

Genealogy Resources

The **LIVINGSTON COUNTY HEALTH CENTER**

receives many genealogical requests and we are happy to help those seeking genealogical information about their family. The certificates printed by our office are “certified copies”, which means they can be used for any legal proof of identity needed, but are **not an actual copy** of the record filed with Jefferson City and contain limited information. All birth and death certificates filed through our office **are forwarded to Jefferson City** and no records have been, or currently are, retained by our office.

We are able to access birth records 1920 to current, death from 1980 to current. We are able to connect to Vital Records in Jefferson City and can print certified copies at our office.

Copies of Death Certificates are \$13.00 for the first copy and \$10.00 for each additional ordered at the same time. Birth Certificates are \$15.00 per copy.
