

The Support You Need...

Breastfeeding provides the best nutrition for babies. As natural as it seems, it's not always automatic!

Many moms need help with the first steps. Our goal is to help you work through any issues early on so you can have a positive breastfeeding journey.

Inside, find local resources to help you along the way, as well as expert information to refer to when you want to learn more.

Please feel free to reach out to us by calling 660-646-5506 and asking to speak to Anita Perry, RN or Peer Counselor Shelby Hayes!

This institution is an equal opportunity provider.
